MEMORANDUM FOR THE RECORD

SUBJECT: Policy Directive

At 1:30pm, Thursday 30 November, during the course of briefing the DCI on agent cases recently publicized and related coordination problems, General Cabell informed Mr. McCone that he had issued what was in effect a policy directive when he had told the EE Division first and then applied the policy to all our stations, that in considering cases presented to our stations by the armed services for coordination, our station chiefs should exercise the same scrutiny and operation standards in judging such cases as they would exercise when judging our own operations. General Cabell asked Mr. McCone if he would confirm this policy and Mr. McCone replied that he thought it was right and in fact a good idea.
